CODE OF CONDUCT FOR STUDENTS
(AMENDMENT 1)

Observed by	<u>DIRECTOR PRINCIPAL</u>
Maintained by	<u>COORDINATOR</u>
Applicable to	<u>STUDENTS</u>
Duration of work	<u>AS AND WHEN</u>
Review time	<u>YEARLY</u>
Connected documents	<u>NA</u>

I. General:

1. The school community is expected to live in the spirit of brotherhood, peace, harmony, good citizenship and reflect high moral values at all times.
2. Students are governed by this code of conduct from the time they join school till the time they leave.
3. All students will adhere to this code of conduct at all times, to maintain a very high standard of behaviour and conduct in this school.

II. Special attention will be paid to the following:

1. The students will be smartly dressed in accordance with the school regulation. Untidy and unkempt haircuts will not be permitted.
2. The students need to be considerate, courteous and polite to all students, adults and helpers.
3. All teachers and visitors should be respectfully wished in an appropriate manner.
4. All members of the student body and prefects are responsible for the discipline of the school and compliance with all rules.
5. Students will interact with teachers respectfully at all times, and obey instructions given to them, both in the class and on campus.

III. Uniform:

Students are expected to wear the prescribed uniform at all times. Private clothing is not to be worn on the school campus unless specified.

Dress Code: In order to create a consistent and safe environment that is free of distractions. GDGIS has a uniform dress code for all students. We believe that a higher standard of dress encourages greater respect for individuals, students and others, and results in higher standard of behaviour. In other words, students who come to school dressed properly will excel academically and conduct themselves appropriately while at school.

IV. Damaging school property:

The school will not tolerate any damage to books, games kit and belongings of fellow students, belonging of teachers and damage to school property. In addition to being fined, the parents/guardians will be asked to pay the full cost of damaged articles; such misbehaviour may also result in students' expulsion.

V. **Expensive items:**

Expensive items such as cameras, iPods, mobile phones, expensive sneakers and so on are not permitted at school. The school is not responsible for the loss or theft of such items, and if brought to the school, they will be confiscated.

Confiscated items to be deposited in the school / **Coordinator** office.

Borrowing or Lending

Borrowing or lending of any items is strictly prohibited.

No student is allowed to bring money to school. Any money fund will be confiscated and deposited in the house fund or the fund used for charitable purpose. The student will also be fined an equal amount of money found with him/her, and this too will be given to either of the above funds.

VI. **Litter:**

The cleanliness of the school campus is the responsibility of every person on the campus. Bins are provided for use. There is no indignity in picking up litter and putting it in the bins.

VII. **Behaviour with school helpers:**

All school helpers (Housekeepers, Didi's, Laundry, Security etc.) should be addressed politely. They will not be used by students for unauthorized activities such as purchasing the articles from the market, washing clothes or using their mobile phones to make calls.

VIII. **Behaviour in the class:**

All students are expected to be well disciplined in the class. Roaming, shouting, bullying, running, laughing without any reason, playing with the I-pad, looking out of the window, using abusive language should be stopped with immediate effect. Be attentive in the class take running notes, copy down important points, and respond to teachers' questions. Be updated with class notes, homework, practical's etc. When you are not clear with the topic raise your hand and clarify your doubts with the teacher.

IX. **Behaviour in dining hall:**

You are supposed to go and leave the dining hall in a line. Shouting, pulling, talking while taking food should be stopped. Bear in mind everywhere your behaviour is noticed and monitored. Take food in a decent manner. Eat sufficiently; eat all food items given to you. Your food is prepared by a qualified dietician. **Don't waste food. Take little in 1st serving if needed can take 2nd serving.**

X. **Discipline Code:**

Getting along with others is the key to success or failure. The school provides each student with the maximum opportunity to acquire education. No student has the right to interfere with this opportunity by his/her actions, poor manners, or lack of consideration. All rules and regulations are developed and enforced with this thought in mind. School rules apply in the classroom, on the school ground, going to and from school, and at any event where our school is represented, regardless of location.

- Hat, caps or other head covering shall not be worn in classrooms, except for valid religious or medical reason authorized by the administration and verified in writing by a physician.**
- Undergarments must be concealed at all times, including when students are standing or walking**

GDGIS ATTENDANCE POLICY FOR STUDENTS (Amendment 7)

Observed by	<u>DIRECTOR PRINCIPAL</u>
Maintained by	<u>SINGLE HEAD</u>
Applicable to	<u>STUDENTS</u>
Duration of work	<u>AS AND WHEN</u>
Review time	<u>YEARLY</u>
Connected documents	<u>SOP-24</u>

Consistent attendance in class is a critical component for students' academic success. Therefore, attendance policy and procedures have been carefully designed to encourage regular attendance.

FOR PARENTS AND STUDENTS

1. Encourage each child to attend the school regularly.
2. It is mandatory for every student to maintain an attendance of at least 85% during the academic year failing of which he/she will not be promoted to higher class as stated by CBSE.
3. Working days: **Middle - 213**
% is calculated by dividing the no. of days present by no. of working days.
4. For classes 10th& 12th, it is mandatory for every student to maintain an attendance of at least 100% during the academic year.
5. 10% shortage in attendance can be considered on account of Medical Grounds (To be validated with Medical Certificate)
6. Leave of Absence is granted only for compelling/unavoidable reasons subject to a written application well in advance.
7. No leaves would be granted throughout the year without genuine reason.
8. In case of participation in PVA or Sports events for competitions outside the school, parents must submit the letter of participation and exemption can be given in genuine case, but in no case attendance can be shorter than 85% of working days.
9. Proper leave application in the 'Single window Format' is to be submitted by the parents/guardians at the school two days' prior the leave. No other formats will be entertained.
10. Repeated absence without permission or unexplained absence for more than 15 consecutive days and if any request then it will be 45 days with proper documents but after that it will not be taken into consideration therefore, Renders the students liable to have his/her name struck off the rolls.
11. Re-admission may be allowed on the payment of the fresh Application form.
12. If the child is absent even for a day without any information, the leave application should be submitted duly signed by parents/guardian and should reach the school the very next day failing which the school will take strict action. (He/She will be marked absent till application is submitted &

result will be withheld if it is repeated thrice in a semester).

13. Early leaves and half days will not be entertained except the medical case.
14. It is permissible only if it is approved at least 2 days prior.
15. Absence of exam days will not be entertained other than genuine medical reasons. The medical reasons should be immediately reported i.e. during those examination days only.
16. No Re-test in any circumstances.
17. At the end of November & January warning letters to be sent to parents whose child's attendance is less than 85%. Parents need to be informed well in time that in such cases a child may not be allowed to sit for annual exams. (As per the attendance policy)
18. State level, National level competition winners can be given a grace of 10%. (In terms of attendance)
19. No leaves will be granted during Revisions before any exams and during exams unless and until it is a genuine medical reason or demise in the family.
20. Any child who misses out with any exam throughout the academic session will not be entitled for any medals/merit certificate.
21. For the students appearing for board exams (classes 10TH& 12TH), it is compulsory to attend PA-1, TERM-1, PRE-BOARD -1 & 2 and the revision classes before final examination unless they are Hostellite (Case to Case).
22. **The class teacher will call the parent after the second day if the child is absent and ask for the reason and a single window. If the parent does not turn up until the third day, then mail has to be sent from the coordinator's email address.**
23. **If students do not turn up after vacation without any information or proof, the mail will be done from the coordinator or school side. The following table is applicable:**

Sr. No	Vacation Time	Month	Reporting Time
1	Summer Vacation	May	June (First day of school reopening)
2	Diwali Vacation	Oct / Nov	Oct / Nov (First day of school reopening)

• **ONLY FOR HIGHER SECTION BOARD CLASS STUDENTS:**

1. As per CBSE norms a student who has at least 85 per cent attendance as on January 1 will be eligible for appearing in Class 10 and Class 12 examination.

Note:

- If any student has less than 85 per cent attendance will not be allowed to appear for the examination.
- However, there are certain cases where a student with less than 85 per cent of attendance can sit for their CBSE board exams.
- In case of shortage of attendance, schools will be required to procure 'certain' documents from student(s) or parents and submit those documents to the concerned Regional Office of the Board.
- Schools need to compile shortage of attendance cases by January 7, of every Year. Thereafter regional office will have to communicate to school by January 21st.

- The CBSE will have to give its final approval latest by February 7.

The 'valid reasons for condonation of shortage of attendance' as per CBSE:

1. Prolonged illness (documents: medical certificate, medical reports, x-rays and requests from the parents).
2. Loss of father/ mother/ or some other such incident leading to student's absence from school (documents: request from parents, death certificate).
3. Authorized participation in sports at national level organized by CBSE/SGFI (documents: request from parents, certificates issued by concerned authority).
4. Authorized participation in sports at national/ international level organized by recognized authority (docs: Request from parents, Recommendation from Sports Authority of India or recommendation of schools concerned in the proforma attached).

TEACHERS

- I. All the documents of leave must be maintained efficiently and diligently.
- II. Any leave which comes must be forwarded to the Coordinators for approval and is then sent to Front desk for higher authorities' approval for sanctioning the leave.

Co-Scholastic Activities (Classes V-VIII): For the holistic development of the student, co-curricular activities in the following areas be carried out in CBSE affiliated schools by the teachers and will be graded term-wise on a 3-point grading scale (A=Outstanding, B=Very Good and C=Fair). The aspect of regularity, sincere participation, output, teamwork be the generic criteria for grading in the following co-scholastic activities.

(a) Work Education - Work Education refers to skill-based activities resulting in goods or services useful to the community

(b) Art Education (Visual & Performing Art)

(c) Health and Physical Education (Sports/Martial Arts/Yoga/NCC etc.)

- **Life Skill:** Life skills have been defined as “the abilities for adaptive and positive behavior that enable individuals to deal effectively with the demands and challenges of everyday life”
- **General knowledge:** General knowledge encompasses a vast array of information gathered from diverse sources and media, representing a collective accumulation of knowledge over time. It encompasses a broad range of subjects and topics, offering a foundational understanding of the world around us.
- **Robotics;** An educational approach that involves the integration of robotics and related technologies into the curriculum. It provides students with hands-on experiences in designing, building, and programming robots, fostering their creativity, problem-solving skills, and critical thinking abilities.
- **ATL:** ATLs aim to foster innovation, creativity, and problem-solving skills among school students.

Discipline (Classes V-VIII): The students will also be assessed for the discipline which will be based on the factors like attendance, sincerity, behaviour, values, tidiness, respectfulness for rules and regulations, attitude towards society, nation and others. Grading on Discipline will be done term-wise on a 3-point grading scale (A=Outstanding, B=Very Good and C=Fair)

Record Keeping: The CBSE affiliated schools will follow the simple documentation procedure and collate the same at the time of preparing the report card. Unnecessary lengthy and repetitive documentation by teachers must be avoided.

8. Report Card: Based on the above scheme, report cards for classes V to VIII will follow the annexed formats and the report card will prominently display the logo of CBSE on left side and school's logo on right side:

9. The above scheme of uniform assessment, examination and the report card must be implemented by all CBSE affiliated schools in letter and spirit to ensure the quality of education.

VI. ASSESSMENT OF CHILDREN MISSING EXAMS

1. Student should not be absent for any of the exams. But if due to some unavoidable circumstances like medical emergency, death in the family, family function outside the city then proper intimation should come to school. Single Window should be submitted with proof.
2. In such unavoidable circumstances, 5 marks for notebook and 5 marks for labs (Maths, Science, Lang. & ASL) will be given, but no retest will be taken. In genuine cases the Principal can write 'Exempted from missing exam' in the leave & it is to be with the coordinator & the software should be programmed in such a way to take the average of the result excluding the exempted subject.

3. If a student has joined late (new admission) in the month of July, then also no retest but his/her notebook & labs marks will be given.
4. Due to some unavoidable circumstances the child misses the main exams i.e, Term-1 then he/she can be assessed in Finals. If misses Finals Then Head of the School, Coordinators and Class Teachers can take a call for the promotion of the child.
5. If the child has fractured his/her right hand, oral tests would be taken. In oral tests, marks would be allotted according to the errors done by the child including spellings, if no error then full marks can be given.
6. However, if the child is playing for National, then retest to be taken.

VII. SCHOOL RULES (For Attendance to sit in exams)

1. Students must fulfill minimum criteria of attendance i.e. 75% to be allowed to sit for any of the exams i.e. PA-I, Term – 1, PA- II, Finals

VIII. GUIDELINES FOR WRITING EXAM

1. Do the easiest question first of that section?
2. Always include key words in your answers and underline with pencil.
3. Split the answer in points and describe each point in detail.
4. Write answers according to the marks. If it is five marks questions then write introduction of the topic, supportive statements, advantage, disadvantage and application of the same concept.
5. Leave a gap of one line while writing points.
6. In science the best way to give answer is by figures. Hence examiner can know that you understand the topic well.
7. Draw the diagram properly using pencil and scale and label it.
8. First attempt the answer you are confident and then go for the ones which will take time to recall.
9. Start every question on a new page. If not than at least leave one line after every answer.
10. Maintain good handwriting
11. Underline headings and subheadings.
12. Keep your paper neat and clean. Over writing, scratching can make your paper look untidy.
13. Handwriting should be legible. Use scale to draw straight lines.
14. Do check whether you have answered all the questions and have written correct questions number against each answer.
15. Diagram should be labelled in capital & with pencil.
16. For long answers of 5 to 6 marks, introduction of the topic should be for 2-3 lines, point headings should be explained for 3-4 lines & then after Leaving one line, ending with 2-3 lines.
17. At the time of reading, headings & points should be jotted in rough work column.
18. Don't leave any question unattempt. Attempt each and every question. Write at least a line if you don't know even a bit of it.

IX. CONCLUSION

The above mentioned parameters can be amended from time-to-time at the sole discretion of the management.
